Subject No. 340
Appointment of Dharmadarsis to the temple at Nonavinkere.

Summary of discussion.—The appointment of Dharmadarsis for the Sri Gopalakrishnaswami temple at Nonavinkere is urgently called for. Funds collected to the extent of Rs. 900 are now in the custody of one Hosamane Narayanaswamiengar and pooja and processions are not properly conducted.

Reply of Government.—To the Muzrai Department for disposal.

Subject No. 341
Road from Nonavinkere to join the Nuggehalli road near Karehalli station.

Summary of discussion.—It has been settled by the District Fund Board that a cart track should be constructed between Nonavinkere and Vignasante. This cart track should be continued and joined on to the Nuggehalli road near Karehalli station in the Channarayapatna Taluk.

Reply of Government.—Referred to the D. F. Board.

Subject No. 342
Strengthening of the Police Force.

Summary of discussion.—Two police constables should be deputed from each police station to patrol the roads during nights. To attain this object, the force has to be strengthened.

Reply of Government.—This is a vague proposal and cannot be entertained. It is understood that proper arrangements do exist for patrolling the roads by the police.

Subject No. 343
Construction of a building at Nagalmadike for the accommodation of pilgrims

Summary of discussion.—Thousands of people resort to the Jatra at Nagalmadike which is held every year in the month of *Pushya* and they suffer much for want of sufficient accommodation. This inconvenience may be removed by the construction of light verandas all round the temple.

Reply of Government.—To the Deputy Commissioner nor disposal. It is understood that there is a musafirkhana is addition to the temple out-houses and that the need for additional accommodation is not pressing.

Subject No. 344
Construction of a road from Maddagiri to Hindupur.

Summary of discussion.—There is considerable traffic in arecanut and other articles between Maddagiri and Hindupur, and the want of a good communication between the two places is very much felt and calls for an early remedy.

Reply of Government.—The suggestion will be commended for early consideration by the L. F. Board.

Subject No. 345
Location of an Assistant Commissioner's Court at Maddagiri.

Summary of discussion.—The taluks of Maddagiri, Sira and Pavagada are in charge of an Assistant Commissioner with 1st Class Magisterial powers and with head quarters at Tumkur. It would promote the convenience of parties and witnesses who have to go to his Court if his head quarters could be transferred to Maddagiri.

Reply of Government.—Under consideration.

Subject No. 346
Increase of ready money allowance for the Janardanaswami and Kailaseswara temples at Kadaba.

Summary of discussion.—If an increase of money allowance be granted to Janardanaswami and Kailaseswara temples at Kadaba, the pooja and processions therein could be carried on more satisfactorily than at present.

Reply of Government.—This is not possible. With the existing allowances, proper arrangements should be made for the conduct of pooja, &c.

Subject No. 347
Restoration of alienated Inam lands belonging to Srinivasadevaru and Kesavadevaru temples at Sampige.

Summary of discussion.—The lands granted as inam to Sampige Srinivasadevaru and Kesavadevaru are now in the possession and enjoyment of others—people not interested in those temples. The said inam lands may be restored the temples and arrangements also made for properly securing the temple jewels.

Reply of Government.—To the Muzrai Department for enquiry and disposal.

Subject No. 348
Construction of a new drain for Kadaba and other sanitary improvements.

Summary of discussion.—A grant of Rs. 5,000 may be made by Government to the Municipality of Kadaba for sanitary improvements and a scheme for the drainage of the village prepared by the Sanitary Engineer.

Reply of Government.—Noted.

Subject No. 349
Transfer of chattram at Gubbi to Kadaba.

Summary of discussion.—Kadaba is on the road between Bellary and Mysore and is badly in need of a chattram. The one at Gubbi may advantageously be transferred accordingly.

Reply of Government.—This is under consideration in the Muzrai Department which will expedite its disposal.

Subject No. 350
Appointment of channel manegars for Kadaba tank.

Summary of discussion.—The Deputy Commissioner and the Executive Engineer are both of opinion that a channel manegar is required for the Kadaba tank, but no action has yet been taken in the matter.

Reply of Government.—Referred to the Deputy Commissioner for disposal. Special arrangements for supervising the distribution of water are understood to have been made.

Subject No. 351
A dispensary for Kadaba.

Summary of discussion.—The early opening of a dispensary at Kadaba may be sanctioned.

Reply of Government.—Kadaba must wait till other and more pressing demands are satisfied.

Subject No. 352
Removal of salt pans from the beds of tanks.

Summary of discussion—Salt pans should not be permitted to be worked in the beds of tanks.

Reply of Government.—The Deputy Commissioner will enquire into specific instances which may be brought to his notice.
